- Yearbook updates

 - The grade coordinators need to start working on their candid pages.

Fundraising

- Updates on the flower sale the flower sale- which
 - I would love to promote more via social media if we can- if people share personally or within their neighborhood that would be awesome (much like the pie sale)
 - Now that it's March I think we can do much better. We have until May 15th to order- so it's no rush- just want to get people thinking about gardening with all this nice weather.

Socials

- Bag Bingo
 - Solicitation letters were dropped off in Downtown Wayne and Eagle Village, waiting to hear back. They did mention that they have been getting a lot of donation asks from TE and Radnor schools.
